Astrologically whether a person will pursue service or business can be explained by the following combinations:

For service 2, 6, 10, 11

For business 2, 7, 10, 11 since these houses signify as under:

Houses

2nd House : accumulation of wealth, money & bank accounts.

10th House : It is the prime house of career, name & fame.

11th House : It is the prime house of financial gain, increments & promotion.

6th House : It is the prime house for service & working conditions.

7th House : It is prime house of business, business partners, trade & commerce.

Therefore when 6th House connects 2,10,11 native joins a job whereas when 7th house is signified he joins business.

Both 6th House & 7th House are complementary houses hence practically it becomes difficult to understand whether the native will pursue business or job.

To pin point when the native will get a job or start his business an astrologer should check Transits when the DBA signifying the combination 2,6,10,11 is in operation.

Houses: Houses involved in love affairs & sexual relationships are:

5th House: House of love.

8th House: It signifies external sexual organs. However it also signifies tensions, obstacles, insults etc.

12th House: It signifies bed pleasure.

11th House: Fulfillment of desires.

7th House: In addition to main house of marriage & sexual organs and it is also main house of business, trade & commerce.

Platonic Love affair: When combination of 5,11 is signified in the DBA of the native, the native falls in love without any physical relationship because 5th House signifies love and 11th House signifies realization of desire.

Love with physical relations: When combination of 5,12 or 5,8 is signified in the DBA of the native, the love affair involves physical relations or bed pleasures because 5th House signifies love whereas 8th and 12th House signify sexual organs and bed pleasures respectively.

Scandalous Love affair: However if 5,8,12 is signified in the DBA of the native, then it is an open & scandalous love affair involving humiliation, insults & tensions to the native.

This is because on one hand 8,12 houses signify sex organs and bed pleasures and on the other hand these are the houses of insults, obstacles loss of reputation and enemies.

Termination of Love affair: The combination of 5,6,8,12 in DBA signifies termination of affair in that DBA. If 5,6,12 or 5,6,8 is signified even this can terminate the love affair.

During the termination of the love any of DBA must be of Rahu, Ketu or Saturn. Somehow if House 11 is signified with

5,6,12 or 5,6,8 then the lovers will face problems in continuing the relations but the problems will not remain forever. In such a case there can be discontinuity of love affair for a short period also. After the termination of love affair if the period of love affair reappears then the native will enter into another love affair.

Hidden Love affair: Love will be hidden when 4th House will be signified with any of the type of love other than the scandalous love since scandalous love affair will finally open.

However scandalous love affair may remain hidden for quite a some time if 4th House is signified with 5,8,12.

Commercial Love affair: Any of the combination of love signified with 7th House signifies love

affair where commercial intentions. However Platonic love affair is exception in this case.

Multiple Love affairs: Native will have multiple love affairs at a time when period of Mercury will be in operation. Period of Jupiter signifies two love affairs. However if a number of planets in Horoscope of native are conjunct together and their DBA is in operation even then native can enter into multiple love affairs at a time. Kindly note that the majority of the planets of native should signify combinations of love affair.

Love affair with person much elder in age or out of cast creed and culture: Native will fell into love affair with a person much elder in age or out of cast creed and culture when DBA planets will be Rahu, Ketu and Saturn signifying the combinations of love affair.

Love affair with person much younger in age: Native will fell into love affair with a person much younger in age when Mercury will appear in DBA signifying the combinations of love affair.

Houses

In astrology the Houses involved in marriage are:

7th House: The prime house of marriage / partner / spouse.

2nd House: The prime house of family.

11th House: Gain of life partner / spouse / family. It also signifies fulfillment of desires.

Combination & Timing of Marriage

Marriage of native takes place in the DBA of the planets signifying the combination 2,7,11. To pinpoint the Marriage or the settlement of Marriage an Astrologer should check the Transits in the following way. First step of marriage is to finalize the boy and girl for marriage.

The event of finalizing partner is natural event and after that engagement takes place and finally the marriage. Both engagement and marriage are social events and depend upon conveniences of relatives and religious warrants and rituals.

Therefore it is rational to Time the event of finalizing the partner and after that we can go forward to check whether the marriage will take place or engagement will be broken. Now let us examine your horoscope on love matter.

Planet

Venus is the natural significator of marriage for both the partners. Marriage of a native can take place without the involvement of Venus in the DBA. But Venus is capable of promising marriage in its DBA even if it doesn't signify the combination of marriage i.e. 2,7,11.

Early and Late Marriage: This is a common question asked by parents or natives themselves. Early and Late are comparative words and also depend upon time, place and conditions. An Astrologer can see the earliest DBA signifying 2,7,11 after marriageable age from where he can specify whether marriage will be early or late.

Dowry is a tradition in India. Daughter receives her part of legacy in India at her marriage. Sometimes it becomes a matter of dispute and mishappenings to such an extent that brides are burnt alive. Some marriages are cancelled in certain cases and in some cases it results into bickering between the families of bride and groom and also result into divorces.

The positive aspect of dowry is arrangement of things of basic and daily need for the new couple whereas negative aspects are bickering between the families and undesired pain on petty issues.

Combination of Dowry:

Native receives dowry when 8,11 is signified with the combination of marriage. 8th House plays dual role in marriage. On one hand it is positive house for marriage being the House of sexual parts and when it is signified with 11th House it also brings upon handsome dowry but on the other hand if it is signified with 12th House and/or

6th House during marriage or immediately in following period it signifies bickering. When, House 8th House is signified with 12th House and/or 6th House, it amounts to ego, loss and aggressive nature. However, 8th House signified with 11th

House and 12th House or 11th House and 6th House will make things more complicated. It implies getting the dowry and denial and/or dispute after that on certain issues that will be discussed practically in illustrations to come.

Combination & Timing of Divorce

The combination of 1,6,10 in the DBA of separative planets conveys disharmony & separations in the marital home.

Further if 1,6,10 is repeated in the subsequent DBA the couple gets a divorce from the court or the competent authority. For countries where divorce is considered as sacrosanct the involvement of 8,12 houses is essential since both the houses signify ego, hurdles, loss of all kinds, enemies etc.

Also in these countries 1,6,10,8,12 for a long period is required because neither the society nor the law easily accepts the separation rather tries to reconcile the couple for a happy married life whereas in other countries 1,6,10 will signify divorce in DBA of Rahu, Ketu or Saturn. In cosmopolitan cities including India divorce is possible without the presence 8th and 12th House with 1,6,10 which amounts to divorce with mutual consent.

Houses

Astrologically houses involved in the birth of the child are :

2nd House: It signifies family.

5th House: It is the prime house of children.

11th House: It signifies gain of children & fulfillment of desires.

9th House: It doesn't play any significant role in child birth directly but promotes child birth. It is facilitator house for child birth.

Planet

Jupiter: It is natural significator for child birth. The mere presence of Jupiter in DBA results into child birth even if it doesn't signify the combination of child birth.

Combinations & the birth of Child

Birth of the child takes place in the DBA of planets signifying houses 2,5,11. For child birth the time of conception is to be given more consideration than the actual time of delivery of the child. In addition to this the female horoscope should be given more consideration than the male horoscope because male's role is restricted to giving a seed whereas female receives the seed, carries the foetus in the womb for nine months & then gives birth to the child if everything goes well during the nine months of pregnancy.

No Child

Combination of 1,4,10 indicates the native is unlikely to have children. DBA of planets signifying the combination will rule out the possibility of child birth.

Houses

1st House : 1st house is 12th from the 2nd house signifying family.

4th House : 4th house is 12th from the 5th house signifying children.

10th House : 10th house is 12th from the 11th signifying gain of child.

Pregnancy Periods & Miscarriages

During the period of pregnancy if the combination of 1,4,10 along with separatives Saturn, Rahu, Ketu in DBA is in operation it causes miscarriage. In transit the separatives planets either transit or aspect the 1,4,10 houses or transit over their natal position. Their transits over the 2,5,11 should also be considered bad. However if the DBA of natural benefics is in operation signifying combination of 2,5,11 both mother & the child in the womb enjoy good health.

The development of child will be satisfactory. DBA of benefics after the 6th month to the delivery of the child results into good weight of the child at delivery & on the contrary bad houses 1,4,10,6,8,12 scattered in the DBA of natural malefics from the 6th month to the delivery period results into weak child or premature birth of the child.

Abortion

Normally an abortion is resorted to when there is danger to the life of the mother or the child or the scanning of the womb shows birth of a deformed child or on humanitarian grounds of rape or otherwise after the sex of the child is known or the child is not wanted. In all such cases DBA will clearly indicate the combination of 5,8,12 along with the malefics Saturn, Ketu & Rahu. During the abortion these planets either transit or aspect the 5th house.

Special Cases

If in a horoscope 5th house of native has presence of natural malefics signifying Houses 1,4,10,6,8,12 in Nakshatra & Sub lord, it implies number of mishaps during pregnancy periods. Similarly the transit of these planets over the 5th house is also very bad.

Still Birth

Another distinguishing feature of child birth is when the dasa of Saturn is in operation at the time of delivery which results into still birth of the child. Of course Saturn should signify bad houses in the case too.

Now let us examine your horoscope on this matter.

Theft of the vehicle takes place in the DBA which signify combination 4,6,8,12 . In addition to the combinations above DBA planets should be natural malefics Rahu or Ketu.

Snatching of the vehicle will take place in DBA of Rahu or Ketu with the combination 4,7,8,12 in DBA. Vehicle shall be recovered if the subsequent DBA signify 2,6,10,11 or 4,11.

Vehicle will also be recovered if combinations of theft / snatching are signified in the planet & the Nakshatra of the present DBA & the combinations of recovery i.e. 2,6,10,11 are signified in the Nakshatra & Sub lord with favourable transits. However if the combinations of recovery do not appear at all for a quiet a long time after the loss the vehicle is never recovered.

There are few cases when the vehicle is set on fire and sometimes vehicle catches fire due to fault in the vehicle. Such an event is expected to happen in the DBA of Rahu.

The combination in such a case is 6,7,8,12 but they should be strongly signified in Planet, Nakshatras & the Sub lord of all the three DBA lords.

In case of theft / snatching when the vehicle is not recovered and the vehicle is insured the native approaches the insurance company for claim. Native is desired to get the claim in the DBA signifying 8,11. However if the combination doesn't appear in the subsequent DBA the native doesn't get the claim from the insurance company.

Now let us examine your horoscope on theft of vehicle.

Houses

6th House: In astrology 6th House is prime house of litigation by the native or against the native.

8th House: 8th House plays significant role in litigation as it signifies tensions, obstacles, failures & insults.

12th House: Similarly 12th House involves upon expenses in litigation, payment of penalties, dues or taxes & loss of sleep, imprisonment & secret plots of enemies. It is also prime house of loss.

Planets

All the first rate natural malefic planets Rahu, Ketu and Saturn promote litigations by the native or against the native. They also promote disputes, tensions, conviction by the court, imprisonment, kidnapping, insults, impositions of penalties, dues or taxes etc.

Combinations & Timing of Litigation

Astrologically if all or any of the 6,8,12 houses are signified in the DBA of natural malefic planets Rahu, Ketu or Saturn native is involved in litigation. If Rahu, Ketu or Saturn conjunct with or aspect the DBA planets signifying 6,8,12 then also native gets involved in litigation.

Kindly note that any of the 6, 8 or 12 house alone in the planet, Nakshatra or Sub lord of DBA planets doesn't result into litigation.

It is only when any two or all of the above houses get connected in the planet, Nakshatra or the Sub lord of DBA of natural malefic there is danger of litigation, damages & penalties to the native. If any of the 6, 8 or 12 are repeated in the planet & Nakshatra or Nakshatra & the Sub lord in DBA of the natural malefic then also penalties are imposed on the native.

In all such cases if Sun or Moon also get involved in the DBA the native suffers at the hands of the state government, central government & other government authorities.

Winning in litigation

When the combination of 6,11 appears in the relevant DBA subsequently then the native wins in the litigation. The native also wins the case if 10,11 or 6,10 or 1,6 are signified in subsequent DBA.

All the combinations are stronger in the ascending order i.e.6,11 is stronger than 10,11 whereas 10,11 is stronger than 6,10 & 6,10 is stronger than 1,6.

1st House: It signifies self effort.

6th House: It is 12th House of the opposition or loss of the opposition.

10th House: It signifies name, fame & authority.

11th House: It signifies gain or win.

Justice delay results into loss of time & more expenses. This position compels the litigants to compromise the case outside the court. 5th and 9th House promote compromise outside the court.

Special Combinations

Conjunction & mutual aspect of Mars & Pluto signifying 6,7,8,12 in the 1st or the 3rd house signifies that the native is a dacoit. Combination of Rahu & Pluto is even worse in the same houses. If Neptune signifying 6, 7, 8, 12 is present in the 1,3,5,7,8,12 houses of the native, the native does criminal activity in the bad DBA after planning. If Saturn signifying bad houses (6,8,12) is in 2nd H house native is a liar. Social litigation emanating on account of marriage, adoption of children, dowry etc. is explained in detail in the chapter of " Marriage" & " Children".

Imprisonment:**Houses**

12th House: 12th House is the main house of imprisonment & loss.

8th House: It signifies tensions, insults, obstacles & failures.

3rd House: It signifies away from home.

2nd House: Whereas it signifies sufferings & the concern of the family.

If a native is convicted by the court for imprisonment then the combination of 2, 3, 8, 12 is repeated in the DBA of natural malefic planets Rahu or Ketu.

The period of the conviction can be known by the continuity of the above combination in the subsequent DBA. Same combination is for the arrest by police on account of any case registered against the native.

Causes of litigation:

There are various provisions of law under which the court sentence a person for imprisonment for different duration of time depending upon the nature of offence/crime committed. The combinations for different nature of crimes/offences are as follows:

Imprisonment on account of physical fight: Involvement of Mars & Saturn in the DBA.

Imprisonment on account of murder: 7, 8, 12 and involvement of Mars & the 8th lord in DBA.

Imprisonment on account of rape: Involvement of 7,8,12 & Venus in DBA.

Political confinement: Political confinement is given by the combination 2, 3, 12. Readers should note that in this combination 8th House has not been taken as it was taken in imprisonment/ confinement of common man. The reason is that the political person had not to face any insult, obstacle or tension thereof rather such events in his life boost his political career in the future.

Going Underground: In certain cases for avoiding the trial of the case & conviction thereafter some persons go underground to avoid the trial & imprisonment. The combination in such a

case is 3, 4, 8, 12.

Aggressive nature

Combination of 7,8,12 signifies aggression. For nature since ascendant plays major role therefore any planet in Ascendant, Lord of Ascendant and any planet aspecting ascendant if it carries this combination, the native will be highly aggressive. More so if Pluto and Mars are in Ascendant signifying the combination native is a dacoit or terrorist.

Fiery Ascendants Aries, Leo and Sagittarius are also aggressive but the lords of the Ascendants or planets in Ascendants and planets aspecting the Ascendant, if signify 7,8,12 then the native will be so aggressive that he will not be fit for social life.
